# WELCOME TO EOi CALVIÀ

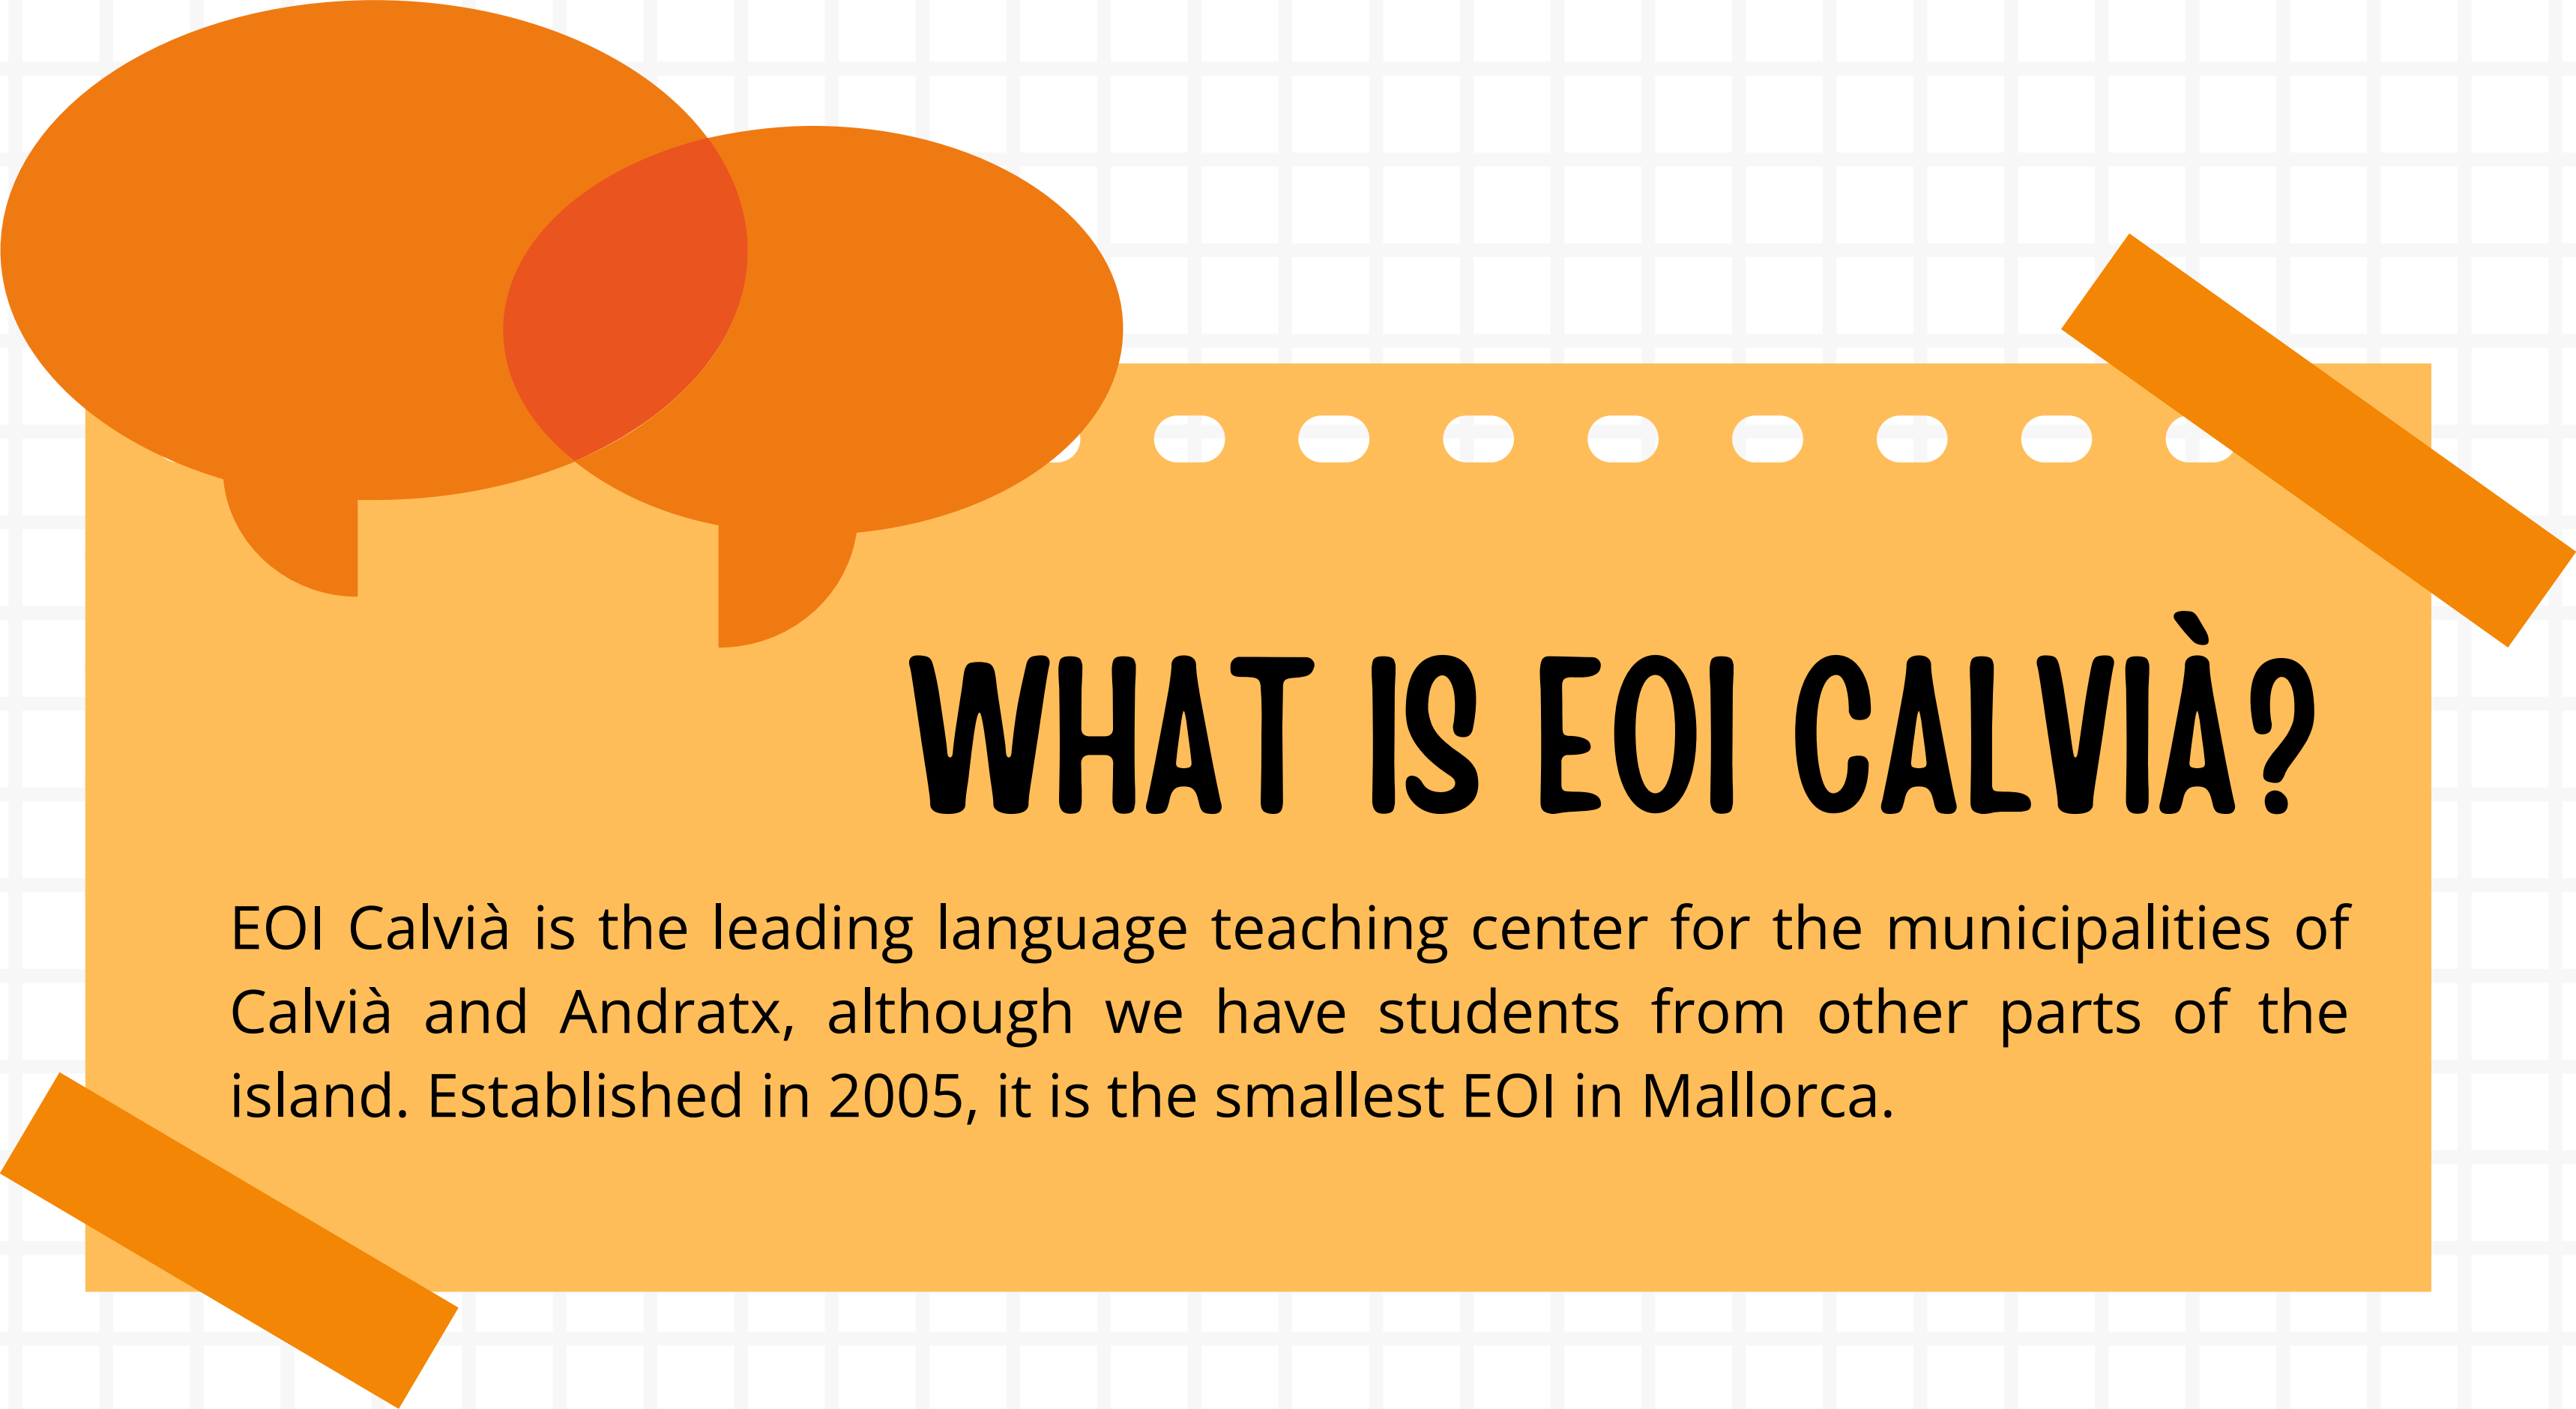

Escola Oficial  
d'Idiomes de Calvià

# WHAT IS THE EOI?

The Official Language Schools are a network of public, non-university centers for language instruction and certification; they operate under the education departments of the autonomous communities and are classified as "special regime" educational centers.

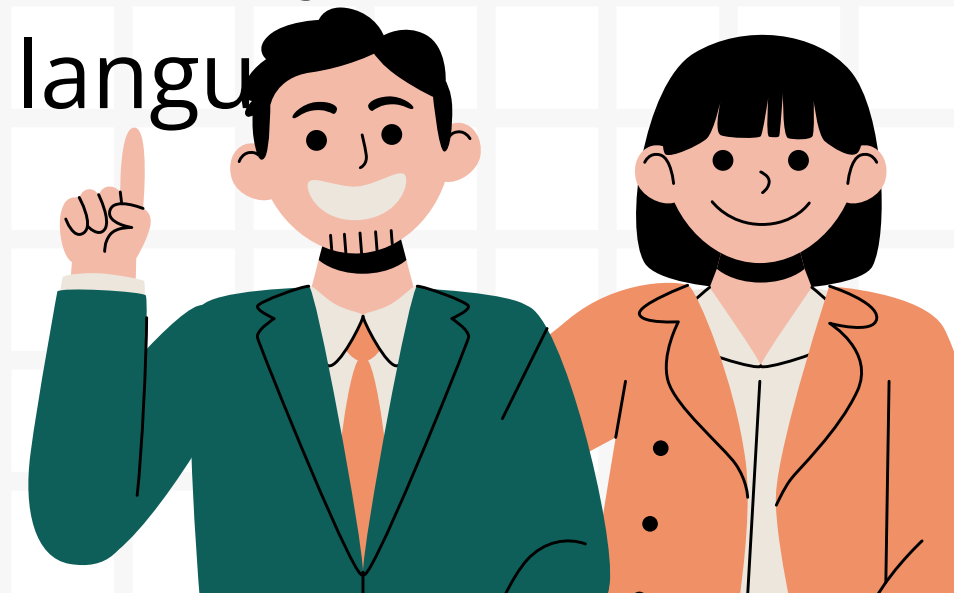

The background features a light gray grid pattern. In the top left, there are two overlapping orange speech bubbles. Below them is a yellow notepad with a row of white circular punch holes along its top edge. A thick orange pencil is positioned diagonally across the top right corner of the notepad. Another thick orange pencil is positioned diagonally across the bottom left corner of the notepad.

# WHAT IS EOI CALVIÀ?

EOI Calvià is the leading language teaching center for the municipalities of Calvià and Andratx, although we have students from other parts of the island. Established in 2005, it is the smallest EOI in Mallorca.

# ✧ ✧ WHO CAN STUDY AT EOICALViA?

# THE LEVELS

The instruction is organized according to the Common European Framework of Reference for Languages (CEFR), which structures linguistic competence into six levels:

- **Level A1 (initial level):** can communicate at an elementary level to meet needs using set phrases; can hold a simple conversation about personal topics with the other person's assistance.
- **Level A2 (basic level):** can understand and express ideas regarding immediate personal matters and communicate while traveling to meet needs.
- **Level B1 (threshold level):** can successfully handle most everyday situations and describe experiences and wishes, as well as express opinions on familiar topics.
- **Level B2 (advanced level):** can understand most texts and hold conversations fluently without requiring effort from the other person.
- **Level C1 (functional level):** can succeed in almost all communicative exchanges, understands double meanings and the language's cultural nuances, and can work in the foreign language.
- **Level C2 (mastery level):** proficiency is comparable to that of an average native speaker.

# LEVELS

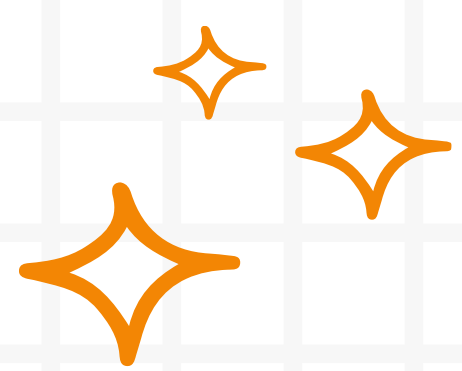

At what levels can I obtain a certificate?

WHAT IS  
YOUR LEVEL?

In Catalan and Spanish, the Intermediate B2 and Advanced C1 levels are covered in a single course.

# COURSE TYPES

**IN-PERSON:** 120 teaching hours distributed across two weekly classes of 2 hours and 15 minutes, from October to May.

**BLENDED LEARNING:** 120 teaching hours, comprising a 2-hour-and-30-minute in-person class from October to May, plus asynchronous work at home.

**SPECIALIZED COURSES:** courses with a specific focus and variable duration. These are not standard courses; therefore, they do not provide level certification or allow for advancement to a higher level.

**REFRESHER ENROLLMENT:** for individuals who completed certification-track courses more than two years ago and wish to update their knowledge. This involves joining a standard in-person or blended-learning course.

**EOIES - EOIES/FP:** Combined EOI + IES or CIFP program.

**EXTERNAL STUDENTS:** external students who pay for the exam.

**Important  
Information**

# ATTENDANCE

Class attendance is VITAL for effective learning.

But... is it MANDATORY?

We cannot force you to attend class, but it is highly recommended for successfully keeping up with the course. For levels A1, B2.1, and C1.1, failure to attend may result in losing the continuous assessment option and having to take a comprehensive final exam.

**Absences do not need to be  
justified if you are +18.**

# ASSESSMENT ✨ ✨ ✨

## A1, B2.1, C1.1

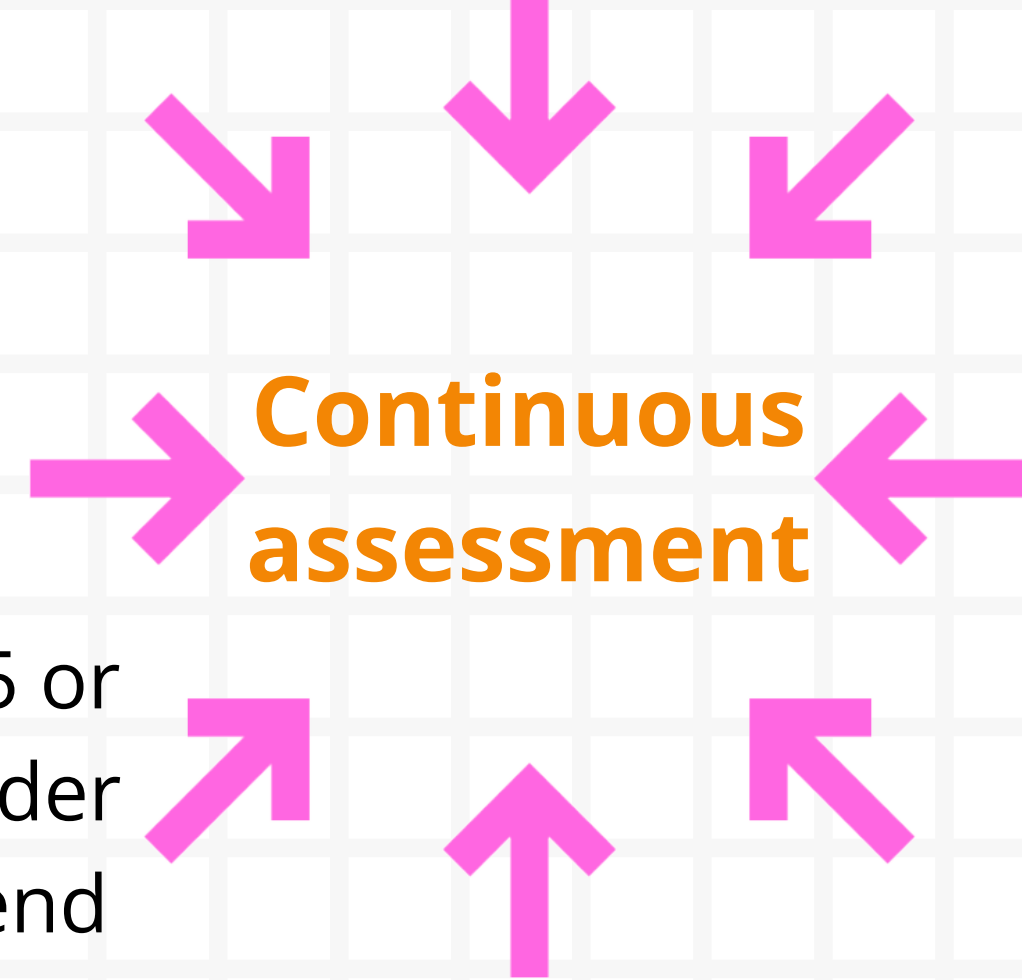

To pass the course and advance to the next level, a grade of 5 or higher must be obtained in each of the language activities under the continuous assessment system. If a student does not attend 70% of the sessions, continuous assessment will not apply, and the student will be required to take a final exam.

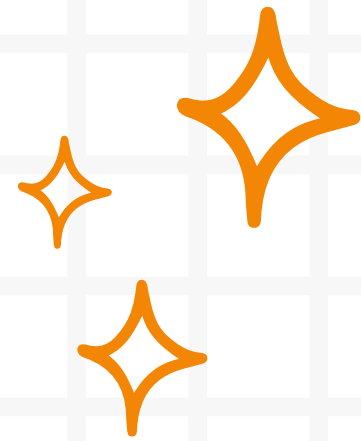

## A2, B1, B2.2, C1.2 AND C2

To pass the course and advance to the next level, a score of 5 or higher must be obtained in each of the language activities.

To obtain the level certificate, the average score across all components must also be 6.5 or higher.

The final course grades for each language activity are those obtained in the certification exam.

# LANGUAGE ACTIVITIES

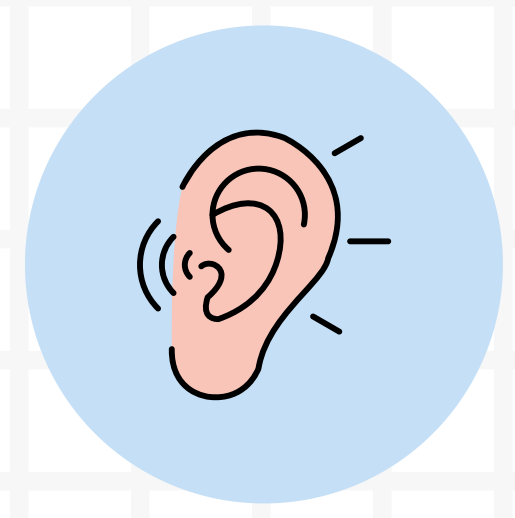

**CTE** Reading

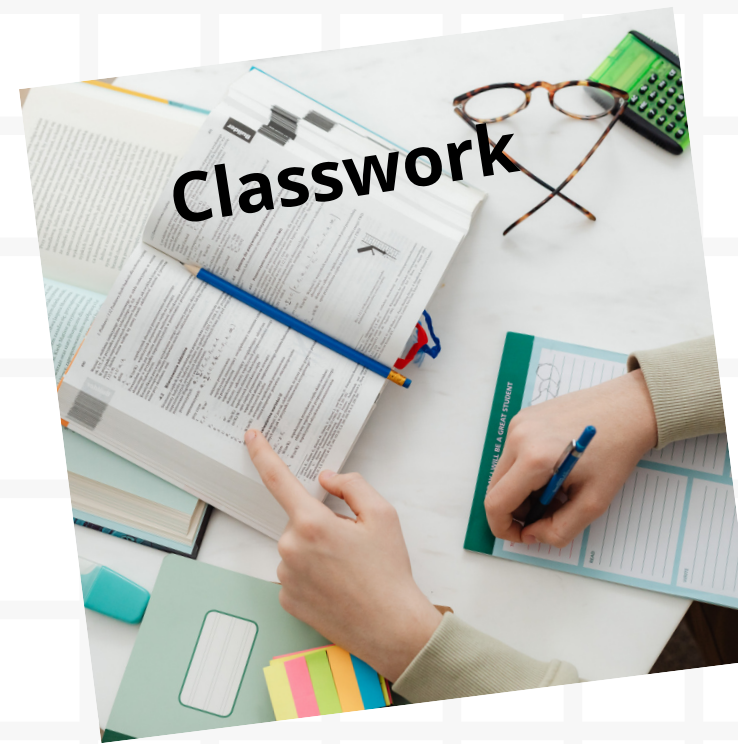

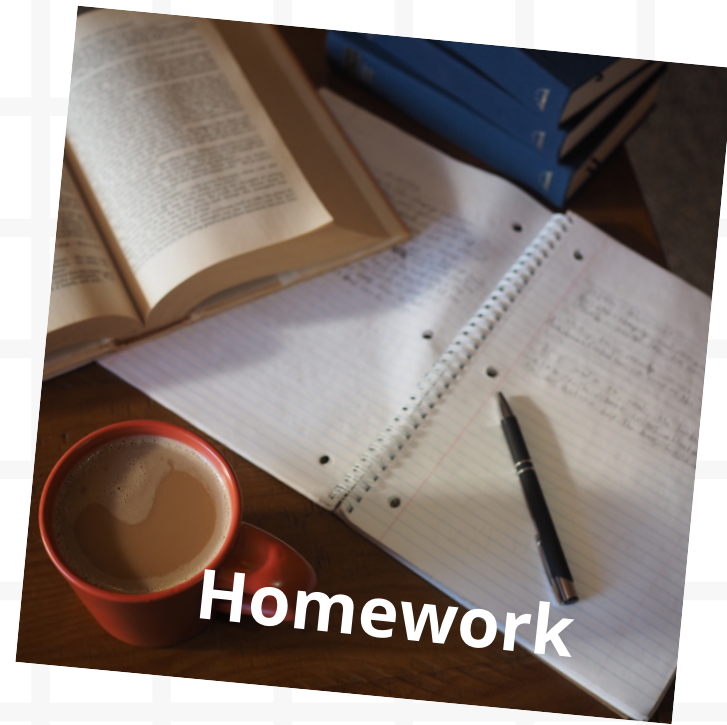

**PCTE** Writing

**ML** Mediation

**PCTO** Speaking

**CTO** Listening

# CLASSES

Classes last 2 hours and 15 minutes (2 hours and 30 minutes for hybrid courses). You need to bring the necessary materials and a willingness to learn. It is important to make the most of the lessons, participate in activities, and do some work at home. If you cannot attend class one day, let your teacher know and catch up using Google Classroom or by asking your classmates.

The classes are dynamic and varied, and they are generally conducted in the target language.
